

IF Multidisciplinary Care Conference 2021
14th to 17th September 2021
Abstract Guidelines

Instructions:

- Abstracts should be written in Word, font Arial size 11, with 2,5 cm margins
- The text should be written in English
- Abstracts should follow the template below
- IF welcomes abstracts before the deadline of June 4th 2021 to: selma.cela@ifglobal.org

Title: [maximum 15 words]

Authors: [First Name, Surname. Indicate by* who is presenting]

Affiliation: [Organization, city, country]

Background: [300 words maximum. Describe the objective and the purpose of your study]

Methods: [In this section, please describe the research methods that you used]

Results: [Summarize the main research results. Depending on how long and complex your research is, you may not be able to include all results here. Try to highlight only the most important findings that will allow the reader to understand your conclusions]

Conclusion: [Finally, state here the main conclusions of your research: What is your answer to the problem or question? Also, how does it inform future work and relevance for individuals with Spina Bifida and or Hydrocephalus?]

For more information please contact IF's project manager Selma Cela selma.cela@ifglobal.org
