The International Federation for Spina Bifida and Hydrocephalus is looking for a Webdesign Consultant (short-term appointment). Head office is located in Brussels but working remotely is a possibility.

International non-profit Organization

The International Federation for Spina Bifida and Hydrocephalus (IF) represents over 85 Member Associations worldwide. Our members are a large group of patients with Spina Bifida and/or Hydrocephalus (SBH) and their families. In collaboration with civic society in the public and private sector and together with important stakeholders IF works to build inclusive communities and raise awareness of SBH. With the goal of reducing the prevalence of SBH in the world through primary prevention, advancing the rights of persons with disabilities and improving management and care for individuals with SBH and their families.

Consultant Description

IF is project holder of an increasing number of international programs. To provide better accessibility for IF’s activities and resources, IF seeks a candidate who can improve upon the design illustrations, and graphic elements of our wordpress website. In this role, the consultant works in close collaboration with the IF Team to further professionalize IF’s website including up to date features.

Please send your Portfolio and Motivation Letter to the attention of Dr. Sylvia Roozen to recruitment@ifglobal.org. Due to the large number of applications expected only shortlisted candidates will be contacted.
